

# 我知誰掌管明天

I Know Who Holds Tomorrow

我不知明天的道路

I don't know about tomorrow

每一天只為主活

I just live from day to day

我不借明天的太陽

I don't borrow from its sunshine

因明天或許陰暗

For its skies may turn to gray

我不要為將來憂慮

I don't worry over the future

因我信主的應許

For I know what Jesus said

我今天要與主同行

And today I'll walk beside Him

因祂知前面如何

For He knows what is ahead

有許多未來的事情

Many things about tomorrow

我現在不能識透

I don't seem to understand

但我知誰掌管明天

But I know who holds tomorrow

我也知誰牽我手

And I know who holds my hand

每一步越走越光明

Every step is getting brighter

像攀登黃金階梯

As the golden stairs I climb

每重擔越挑越輕省

Every burden's getting lighter

每朵雲披上銀衣

Every cloud is silver-lined

在那裡陽光常普照

There the sun is always shining

在那裡沒有眼淚

There no tear will dim the eye

在美麗彩虹的盡頭

At the ending of the rainbow

眾山嶺與天相連

Where the mountains touch the sky

有許多未來的事情

Many things about tomorrow

我現在不能識透

I don't seem to understand

但我知誰掌管明天

But I know who holds tomorrow

我也知誰牽我手

And I know who holds my hand

我不知明天的道路

I don't know about tomorrow

或遭遇生活苦楚

It may bring me poverty

但那位養活麻雀者

But the one who feeds the sparrow

祂必然也看顧我

Is the one who stands by me

祂是我旅途的良伴

And the path that is my portion

或經過水火之災

May be through the flame or flood

但救主必與我同在

But His presence goes before me

祂寶血把我遮蓋

And I'm covered with His blood

有許多未來的事情

Many things about tomorrow

我現在不能識透

I don't seem to understand

但我知誰掌管明天

But I know who holds tomorrow

我也知誰牽我手

And I know who holds my hand
